COVID-19 Protocols for Gymnasium Functions

- Visiting fans and teams must sit on the visitor's side of the gym.
- We encourage and recommend the use of face coverings for fans, especially when you cannot social distance.
- Please social distance in the gym while sitting or standing in line.
- Normal concession food will be served, but the line will form along the concession wall and into the hallway north of the restrooms to limit congestion in the lobby.
- Opposing team will supply their own warm up basketballs. The game ball will be exchanged for a sanitized ball as often as feasible during natural breaks in game play.
- Once the games end, the facility will need to be cleared as soon as possible, please do not congregate in the stands or lobby after the games.
